

WIRTSHAUS AM BAVARIAPARK

MOMENTS OF HAPPINESS

GLUTEN FREE

Indulgence without regret – a matter of the heart for all guests. Food is a source of joy – and that should apply to every one of our guests. That's why quality and sustainability are far more than a trend for us – they are our deep conviction and a true matter of the heart.

We know that celiac disease or gluten intolerance requires special attention. To ensure you can enjoy our cuisine without worry, we've created a dedicated gluten-free menu. Our homemade sauces are prepared according to our own recipes – naturally, with your gluten-free needs in mind. We also prepare gluten-free schnitzel with Schär breading in a separate pan especially for you. Our fries are cooked in a fryer where no other gluten-containing products are used. The gluten-free pretzels and rolls from Resch & Frisch are baked in a separate Resch & Frisch oven.

Please inform our service team about your celiac disease or gluten intolerance. We can then pass this information on to the kitchen. For dessert, we suggest our berry compote or our delicious ice cream.

As a special highlight, we also have gluten-free beer in the cellar. Enjoy our delicacies in good company, let time stand still with a cool drink and trust in our team, who will carefully attend to your wishes.

Pure moments of happiness – for each and every one of you.
